

## Health and Safety Policy

GCS Committed to Health and Safety quality is shaped by our core values of care, and outperformance. Management is firmly committed to a policy enabling all work activities to be carried out safely, and with all possible measures taken to remove (or at least reduce) risks to the health.

- ❖ Prevent accidents and cases of work-related ill health and provide adequate control of health and safety risks arising from work activities.
- ❖ Our Aim is Zero accident and Zero incident in work place.
- ❖ Provide adequate training to ensure employees are competent to do their work.
- ❖ Engage and consult with employees on day-to-day health and safety conditions and provide advice and supervision on occupational health.
- ❖ Implement emergency procedures - evacuation in case of fire or other significant incident.
- ❖ Maintain safe and healthy working conditions, provide and maintain plant, equipment and machinery, and ensure safe storage / use of substances.
- ❖ Undertake risk management activities to identify, eliminate and/or manage risks in the work place.
- ❖ Protection of the environment including prevention of pollution.  
Minimise pollution from our works by developing work methods that reduce the risk of environmental damage.
- ❖ Our Managers and Supervisors are informed of their responsibilities to ensure they take all reasonable precautions, to ensure the safety, health and welfare of those that are likely to be affected by the operation of our business.
